ABSTRACTED-PUB-NO: JP 63290825A

BASIC-ABSTRACT:

Antimicrobial which comprises or contains extract of Phyllostachys heterocycla

var. pubescens (the bamboo). Extract of Phyllostachys pubescens Mazel (the bamboo) may be liq. exuded from the bamboo on treatment of the bamboo at temp. above 100 deg.C, or opt. obtd. by pulverising the bamboo, mixing with water and compressing resultant mixt. Alternatively the extract may be obtd. from cut part of the bamboo.

Antimicrobial comprises or contains organic solvent extract of the bamboo. The organic solvent extract of the bamboo may be ether extract of the bamboo fine powders, or ether extract of epidermis of trunk of the bamboo.

USE/ADVANTAGE - The antimicrobials are effective to all of bacteria, yeast or mould and have little toxicity and they can be added into foods or cosmetics in a wide range.
